BayPort Foundation Awards \$100,000 in Scholarships to 8 Working Adults, 11 College Students, and 19 High School Seniors

NEWPORT NEWS, Va., June 21, 2024 – The BayPort Foundation today announced it has awarded \$100,000 in 11 different scholarship types to a total of 38 member students in the surrounding local communities attending a college, university, trade, or vocational school.

Since 1961, BayPort Credit Union has supported member students in funding their educational pursuits. Over that time, it has awarded over \$1 million in scholarships. Today, the credit union's philanthropic arm, the BayPort Foundation, continues its mission to enrich members' lives by providing tuition assistance. Scholarship applications are scored on financial need, academic achievements, school and community involvement, and a written essay. In addition, students must be pursuing a degree or certification at an accredited college, university, trade, or vocational school.

BayPort has partnered with WAVY-TV NBC and WVBT-FOX43 to honor its 2024 scholarship recipients as part of the BayPort Foundation Scholarship Salute recognition program. The Scholarship Salute will air daily between June 24 and July 28. For more information and to view the entire voluntary series beginning on June 24, please visit BayPort's [YouTube channel](#).
